Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Sunday 19 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Some rain today, but clear and dry overnight.

Today:
A changeable day with early rain, sometimes heavy, clearing to sunny spells through the morning. Turning cloudy again by the afternoon with scattered showers, but becoming sunnier and drier from the west by late afternoon. Cooler than of late. Maximum temperature 18 deg C (64 deg F).

Tonight:
Any cloud and rain will clear away eastwards through the early evening to leave a dry night with long clear spells. Some patchy mist or fog forming overnight. Minimum temperature 9 deg C (48 deg F).

Monday:
Early mist and fog will clear through the morning to leave a fine day with plenty of sunshine and light winds. Feeling warm. Maximum temperature 20 deg C (68 deg F).

Outlook for Tuesday to Thursday:
Dry with bright or sunny spells on Tuesday. Windy on Wednesday as a band of rain crosses the region. Further rain on Thursday.
